

COMPLETE C2 PACKAGES

C2 Equipment Options

HDT offers three comprehensive packages of C2 equipment and furniture, sized for your unit's specific needs. Each package consists of a selection of video display and support equipment, tactical furniture, cables and cable management items. All the items are packaged for easy transport and protection when not in use. Products are durable, easy to use and will deliver the performance and functionality you need when performing the important functions of a C2 operation.

ULTRA SHORT THROW DISPLAY SYSTEM

- Adaptable for expeditionary environments where durability, weight, size (packed and unpacked), strike and erection time, and quality of visual presentation are significant factors
- Lighter and faster set-up than overhead frame systems; weighs only 88 lbs (39.92 kg) with carrying case; able to erect and strike in less than 5 minutes
- Free-standing screen and projector device that are less than 21" (53 cm) apart
- Brilliant 3,600 ANSI lumens, 4,000 hour lamp life in Normal Mode, 2,400 ANSI lumens, 6,000 hour lamp life in "Eco Mode"
- Advanced air filtration technology to reduce maintenance
- Capable of front or rear projection mode without modification or additional products
- Two (2) HDMI inputs (up to 1080p), VGA inputs (XGA), Composite/S-Video
- Conserves scarce floor space while totally eliminating any 'sightline' obstruction to screen view
- 16 watt speaker with one (1) stereo mini jack, one (1) pair RCA (L/R), one (1) microphone
- 40PRS011 model has 40" x 52" (102 x 132 cm), 60" (152 cm) diagonal screen. Packed size 59" x 22" x 14" (150 x 56 x 35.5 cm), 84 lbs (38 kg); deployed size 53" x 30.2" x 72 - 90" (135 x 76.7 x 183 - 229 cm)
- 40PRS012 model has 54" x 74" (137 x 188 cm), 100" (254 cm) diagonal screen. Packed size 59" x 22" x 14" (150 x 56 x 35.5 cm), 88 lbs. (39.9 kg); deployed size 75" x 41.1" x 72 - 90" (190 x 104 x 183 - 229 cm)

HANGING BAR PROJECTION SYSTEM

- For use with 40" x 52" (102 x 132 cm), 60" (152 cm) diagonal screen
- Erect and strike in less than 5 minutes
- Short-throw DLP table top projector
- Comes in a 31.3" x 20.4" x 12.2" (79.5 x 51.8 x 31 cm) tactical case with wheels
- 35 lbs (15.9 kg) packed weight
- HDT Part Number 40VDSHB001

TACTICAL TABLES

- 24" x 60" (61 x 152 cm) and 37.5 lbs (17.0 kg) each; rated at 1,600 lbs (725.7 kg) of distributed weight
- Each leg adjusts to accommodate uneven terrain
- Each set contains two tables in a mildew-resistant bag
- Ready link with cable management bags
- HDT Part Number 40C2TBL2001

TACTICAL CHAIRS

- Each weighs 11.5 lbs (5.2 kg); can support up to 1000 lbs (453.6 kg) of distributed weight
- Large flexible back to provide comfortable lumbar support
- Made of easy to clean, hardened polycarbonate plastic
- Powder coat frame made of strong, 18-gauge oval steel tubing
- Quick and easy set-up and extremely dense storage – 4 stacked chairs = 6" (15.2 cm) height
- Each set contains four chairs in a mildew-resistant bag
- HDT Part Number 40C2CH4001

CABLE MANAGEMENT BAGS

- Durable soft shell bag attaches to the front of the C2 table via two heavy duty Velcro strips with supports on each side of the table
- Can support up to 50 lbs (22.7 kg) of distributed weight
- Each bag has a 12-outlet power strip and individualized Velcro pockets to run network and video cables and allows for separation of SIPR and NIPR networks
- Can daisy chain from one cable management bag to another
- Storage for laptop transformers, transmitters and CAT5 cables in front of bags
- Helps present a neat and professional command center; eliminates trip hazards of messy cables
- Each bag weighs 6 lbs (2.7 kg) and is 2.5" x 68.5" x 7.5" (6.4 x 174 x 19.1 cm)
- HDT Part Number 65CABP12BK

25 PAIR MANAGED CABLES

- Reusable managed cable
- Eliminates an individual CAT5e cable leading from the table to the DCU for each individual user
- One managed cable can support any combination and up to six video, data, audio or telephone feeds through the use of a Jack Pack
- Aids in presenting a neat and professional command center
- Can customize cable to desired length
- Available in a variety of colors to designate secure and unsecure networks
