

32" AND 46" INTERACTIVE COMMAND TABLES

Capture Instantly, Communicate Visually, Collaborate Effortlessly

Ideal for expeditionary environments, the 32" and 46" HDT Interactive Command Table's (iCT) rapidly deployable table is robust. Touch displays enable increased customer engagement and metrics for any environment by adding an exciting new dimension to traditional broadcast digital signage - the power of touch.

KEY FEATURES

- Robust, portable display case available in black or tan
- Touchscreens provide fast access to any and all types of digital media
- Easy to clean surface
- Extremely accurate touch interface
- Can be used in both vertical or horizontal format
- Rapid setup and take down
