INSTRUCTIONS

Use this document to perform an equipment check of your HDT MTH150 Heater to identify any missing, damaged or worn parts and to ensure that your system is fully mission capable. Damaged parts can be ordered by NSN or through HDT's Aftermarket Program. Complete this checklist in accordance with the heater manual. If the manual is missing, you may download it for free at the HDT website. If you have any questions feel free to contact your HDT Field Service Representative or call HDT Global at 800-969-8527.
