

REPLACEMENT PARTS FOR HDT CV125 AND MV60 CAMFIRE® SPACE HEATERS

HDT Fully Mission Capable Packs are a convenient way to order common replacement parts for HDT CV125 and MV60 CAMFIRE heaters. Packs for routine maintenance or as standby replacement parts are available.

The parts packs listed below have other common parts that may be useful in the field.

LEVEL I (CV125 AND MV60)

The Level I parts pack includes common parts such as sensors, fuses, nozzle, air pump parts, filters, igniter and other items that would be required to return a unit to FMC status. This Level I pack will support three heaters for one heating season anywhere in the world.

LEVEL II (MV60)

Level 2 pack includes higher level parts required for long-term support in the field or a starting point for bench stock.
