

# HDT BASE-X® REMOVABLE COVER SHELTERS

*Intuitively Designed to be Rapidly Deploying and Extremely Robust*

HDT is the world leader of rapidly deploying, expeditionary shelter systems and tactical infrastructure. Our most recent innovation, the Base-X® Removable Cover series of shelters, provides unmatched strength and durability with an intuitive design and deployment process. With the shelter frame and cover packed separately, the key benefits of removable cover shelters are package weight reduction and easier, user-intuitive set up and take down, due to the separate frame package. All Base-X Removable Cover shelters feature HDT's patented, military-proven Base-X folding frame.

The Base-X Removable Cover shelter systems are engineered to excel in harsh environments, making them ideal for: military operations, oil and gas/mining man camps, homeland response, disaster relief, peacekeeping, or industrial mobile infrastructure operations.

## KEY FEATURES

- Lightweight, low-cube, man-portable
- Reduced per package weight
- Pre-installed floor
- Dual layer construction offers inherent insulation properties
- Configurations can accommodate US or foreign voltage
- Meets or exceeds all US Military requirements
- No ancillary equipment required for setup or strike
